

## SUTTON POYNTZ NEIGHBOURHOOD PLAN STEERING GROUP

### RECORD OF SUB-GROUP MEETING

<b>Topic sub-group</b>	<u>Heritage</u>
<b>Dates of Meeting</b>	<u>11/7/2017 &amp; 1/8/2017</u>
<b>Time of meeting from</b>	14:30 to 16:00
<b>Location of Meeting</b>	<u>Northdown Farmhouse</u>
<b>Present:</b>	<u>Bill Egerton, Caroline Crisp, Jill Kelsey</u>

#### Key Discussion Points

The Subgroup had intended to carry out a walk round the village to discuss and compile a long-list of potential assets of local interest. In view of the weather for the first of these meetings, this turned into a “virtual” walk-round.

The Subgroup first discussed the criteria to be used in selection of these local interest assets.

Next, the Subgroup used detailed maps of the village to identify a long list. At the first meeting, the part of the village from the fork up Sutton Road, along Mission Hall Lane, and up Plaisters Lane was considered, with the rest of the village dealt with at the second meeting. The long list is shown in the table below.

The next meeting, on 24<sup>th</sup> or 25<sup>th</sup> August or 12<sup>th</sup> September, will carry out the actual walk-round, and apply the selection criteria to the potential assets.

#### Decisions/Actions Taken

Selection criteria:

- Age
- Aesthetic or architectural value
- Historic or archaeological value
- Social or community value
- Group value
