Chair's Report, September 2021

In April 2021 we sent out the chair's report as we were unable to hold our AGM. This is a brief update of our news since then. The committee have kept in touch through emails, a socially distanced meeting outside last summer, zoom meetings and finally all together in the Mission Hall. Due to work commitments Dave Burge decided to resign and I would like to thank him for all his hard work and delicious cooking during his time on the committee. We have been able to co-opt two new members Jon Waterman and Kevin Pearce who I hope will be formally elected when we are able to meet properly. More recently Peter Riley and Jill Kelsey have decided to step down from the committee. We would like to thank them for their work and commitment. A special thank you goes to Peter who has been a member of the committee for many years and has organised our Friday coffee mornings for as long as I can remember. Tony Critoph and Jackie Raw have been co-opted onto the committee and we warmly welcome all the new members.

Chris Hubbard very kindly agreed to keep sending out his informative and entertaining newsbites throughout the year. His messages have been greatly appreciated by us all and we are all really pleased that he has reconsidered his decision to retire. A huge thank you from all of us Chris.

Finally this summer we have been able to restart our social events, fortunately these occurred on sunny days. In spite of following Covid rules we lit the beacon and raised a glass to celebrate the end of lockdown, held a lively veg show, a coffee morning and more recently a very sociable and tasty Village Picnic. We are planning more social events, hoping to repeat our 'Murder, Mystery Evening' and already starting to plan a big village event for the Queen's Platinum Jubilee next year.

Thanks to prompting by the committee new road signs have been erected by the council at each end of Puddledock Lane which should help the residents, emergency vehicles and delivery drivers. We have also made some enquiries about how to improve pedestrian access through Puddledock Lane for people who catch the bus. Unfortunately without the landowners permission we are unable to progress further.

As I said in my previous report as a village we have been very lucky during the pandemic and fortunately not too many of us have caught the virus. Many people have helped each other with shopping, collecting prescriptions and keeping in contact by phone. Walking through the village everybody has remained cheerful and friendly which makes a big difference to us all. We must also welcome all the new faces in the village and hope to see you at future events.

Finally we look forward to seeing you at our AGM on Wednesday 29th September from 7.00 pm. Andy will be collecting subscriptions during the evening.

Treasurer's report for the Sutton Poyntz Society AGM, September 2021

The financial year runs from the 1st April to the 31st March.

During the 12 months ended March 2020 we had a successful year, helped by a decent profit from a number of events, and a very generous donation of over £900 from Isolde Martyn in memory of her parents. The cash balance at the end of that year stood at a healthy £7,655.

During the 12 months ended March 2021 no events of course could be held, and we made the decision not to collect any subscriptions. As a result we made a small loss of £457, predominantly made up of the cost of insurance premiums and website hosting / companies house expenses.

The cash balance therefore fell slightly to just under £7,200.

Sutton Poyntz CIC is a stand alone company, whose sole purpose is to own the small piece of land at the end of the pond and the phone box in the middle of the village. For ease, its minor costs (mostly insurance premium) are paid for by the society.

Its net asset position did not change in either 2020 or 2021.

Independent Examiner's Report

An independent examination includes a review of the accounting records kept by the society and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the committee concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to confirming that the accounts reflect the underlying accounting records.

I have come across no matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached
